

Sight-Reading 1a

The image displays a sheet of musical notation for a sight-reading exercise. It consists of 16 horizontal staves, each containing a sequence of musical notes. The notes are primarily quarter notes and half notes, with some eighth notes. The notation is arranged in a grid-like fashion, with each staff containing a continuous line of music. The notes are placed on the lines and spaces of the staves, and stems are used to connect them. The overall layout is clean and professional, suitable for a music education resource.
