Chimes/Bells

Soprano

Alto

Tenor

Bass

All life comes from you, O God!

And in your light we
see the light. O Lord, your
constant love covers the sky.
Under your wings we find protection.
You give us the food we eat. We

drink from the river of your
25

good-ness.

All life comes from

28

you, O God!

And in your

30

light we see the light.
